

# THE AMARILLO ACCELERATED RELOCATION PROGRAM

AN EXPEDITED APPROACH TO NAVIGATING THE NEW NORMAL

The economic landscape is changing beneath our feet. Now more than ever, businesses face decisions – and opportunities – that were unforeseeable just months ago.

Whether you've been thinking about moving your business for a while or you've just recently started to consider a change, relocation can offer many benefits for growth-focused organizations. However, between navigating permits, finding the right facilities and dealing with other logistical challenges, it can also be a complicated endeavor.

The Amarillo Accelerated Relocation Program can help guide you through this time-intensive process. Compared to other cities, the Amarillo Economic Development Corporation (EDC) offers a **15% to 30% faster timeline** from signed agreement to getting your business up and running, enabling you to react with the precision and urgency that these unprecedented times require.

## EXPEDITE TIMELINES: LEVERAGE INSIDER EXPERTISE FOR FASTER DEVELOPMENT

The Amarillo EDC possesses not only extensive knowledge and an experienced talent pool, but also relationships with key municipality branches. This enables you to cut through the bureaucracy and gain access to the resources your business needs.

Expedite processes for permits and licensing

Easily schedule utility lines, excavation, construction and more

Benefit from a transparent and collaborative business community

Access shovel-ready sites owned by the Amarillo EDC and certified by Xcel Energy

Amarillo isn't just a name on a map – it's a long-term home where workers and businesses thrive. See what belonging to a culture of collaboration and empowerment can do for you. Get on the fast track to your future with the Amarillo Accelerated Relocation Program.
